The goal of this form is to determine whether sponsors are providing the resources, systems and support necessary for a successful service experience. We will also consider your responses in selecting sponsors for next year. While this form is confidential, you are highly encouraged to share this feedback with your sponsor.

Please describe how your sponsoring organization has supported you in the following areas. Include suggestions for how the sponsoring organization could better support members in the future.

INTERVIEW PROCESS AND SITE ORIENTATION

Did the sponsor accurately describe the placement in the interview and position description? Did your initial orientation and training adequately prepare you for your position? How could your sponsor improve the interview process and site orientation?

WORK PLAN AND PROJECT GOALS

Did your sponsor clearly explain the history and organizational goals of your project? How did your sponsor assist you in setting priorities for your position? in setting short and long-term goals for your service? How could your sponsor provide additional support in this area?

OFFICE SPACE AND EQUIPMENT

Do you have the physical tools necessary for completion of your project? Is your space comfortable and appropriate to your service?

SITE SUPERVISOR SUPPORT

Does your supervisor meet with you regularly? Are you receiving the feedback and support you need? How could your supervisor better support you in this area?

ORGANIZATIONAL SUPPORT OF MEMBER AND MEMBER PROJECT

How do other people at the organization support your project? Do your colleagues understand your role as an AmeriCorps member? How could your sponsor better support you in this area?

ON-GOING TRAINING

What types of additional trainings have you received from your sponsor? How could your sponsor better support you in this area?
