

**Conservation Leadership CSS 481**  
**January 26, 2007**

**Class Assignment:**

Identify three conservation issues that have a direct impact on you, or your local community. On one page of paper write a summary list of the three issues with the following information:

- ✓ Name of the issue
- ✓ Any connection or interest you have with the issue
- ✓ Describe how the issue is being handled by local activists or leaders working on this issue
- ✓ Your reaction to how the issue is being handled or managed by those people
- ✓ List your source (newspaper, website, class speaker, newsletter, etc)

You can email your response to me at [lamar@pcei.org](mailto:lamar@pcei.org), or bring it to class **Friday, February 2.**
