

**Conservation Leadership CSS 481**  
**Week of February 5, 2007**

**Class Assignment:**

Attend the UI College of Natural Resources Career Fair on February 7. Talk to at least three organizational representatives from different agencies that interest you. Speak to them about career opportunities they have available, how they got involved in their work, and what other kinds of people work with them.

Write a one-three page summary of these mini interviews-highlighting the different representatives and organizations. Your response should include a comparison of the following:

- ✓ Representatives' history of involvement in the conservation movement
- ✓ Their role in the organization
- ✓ career opportunities they have available
- ✓ factors that make this person or organization interesting to you
- ✓ would you like to work with or for this person?
- ✓ other factors that suggest similarities or differences among approach to conservation

Your response should be about one-three pages in length. You can email your response to me at [lamar@pcei.org](mailto:lamar@pcei.org), or bring it to class on **Friday, February 9**.
