

Palouse-Clearwater Environmental Institute

PCEI YES! (Youth Environmental Stewards!) Summer Training Days!

Volunteer Participant Description:

The Palouse-Clearwater Environmental Institute is currently seeking up to 10 **individuals** interested in participating in Youth Environmental Steward **(YES!) Training Days** for any of the dates below. **You and your club, group, team, or family will learn the skills of restoring our natural parks and trails!** Participants of the YES! Team will work with PCEI Restoration staff, AmeriCorps members and at times Forest Service staff on project sites in the Nez Perce-Clearwater National Forests. Through this program, (geared towards middle school and high school aged youth) you will learn how to work collaboratively in the realms of non-profit and government agencies by implementing land management techniques and monitoring work progress. Work will primarily consist of hiking local areas for trail maintenance, surveying, and decommissioning motorized trails.

Opportunities:

- Learning new skills in the out of doors
- Implement restoration techniques associated with trail maintenance and decommissioning
- Learn the use of tools and equipment in a safe and effective manner
- Engage in teamwork!
- Build your resume!

Schedule: Sign up for a day! Or as many days as you would like to! (8:00 a.m. to 6:00 p.m.)

- Wednesday, June 15th
- Wednesday, June 22nd
- Wednesday, June 29th
- Wednesday, July 13th
- Wednesday, July 20th
- Wednesday, July 27th

The Palouse-Clearwater Environmental Institute (PCEI) is a grassroots organization working on regional conservation and environmental issues. Since 1986, we have worked to increase citizen involvement in decisions that affect our region's environment through watershed restoration, education and sustainable living programs.

"connecting people, place and community"™ since 1986
